Re: **Total Quality Logistics, Inc. v. Bolivar Insurance and Real Estate, Inc. and Canal Insurance Company**

Your Claim No.: C41863

Our file: 33-111

*07 CV 3731*

Dear Judge Marrero:

We represent Canal Insurance Company, in the above-referenced matter. On July 15, 2008, the Court scheduled a settlement conference hearing for 2:30 p.m. on July 25, 2008 at the request of plaintiff's counsel.

The undersigned and representative for Canal Insurance will be available for the settlement conference. However, Canal's claim file handler relative to this claim lives and works in Greenville, South Carolina. As such, requiring a Canal representative to appear in person would be extremely costly. The Canal representative handling the file would be more than willing to appear by telephone and is as hopeful as anyone that this matter can be resolved through settlement. Also, the undersigned is currently working from home while on maternity leave. While another attorney from our firm could appear in person, because I am the attorney most familiar with this action, we feel that the conference would be most productive if I were permitted to appear by telephone. Therefore, Canal Insurance Company respectfully requests that its principal representative and counsel be granted permission to attend the conference by telephone.

Accordingly, Canal Insurance respectfully requests permission for its counsel and representative to attend the July 25, 2008 hearing telephonically.

We thank the court for its attention to this matter.

Very truly yours,
